Venue: Class Room 1

Date: 13.01.2024

Participants: 39 students of B.Pharm (Third and Final Year)

Guest Speaker: Dr. Pradnya Meshram,  
Co-founder, Naturehunt Wellness,  
Navegaon (Pale), Tah: Pauni, Dist- Bhandara, M.S.

**Objective of the Seminar:** The seminar aimed to enhance students' understanding of the role of microbiology in pharmacological applications. It provided a platform for students to gain insights into the latest developments and practical applications of microbiology in the pharmaceutical field.

**Summary of the Event:** The seminar was coordinated by Mr. Chandrashekhar Chakole, a faculty member of our institution, and conducted in Class Room 1. A total of 39 students from the third and final year of the B.Pharm program actively participated in the session.

Dr. Pradnya Meshram, the esteemed guest speaker, delivered an enlightening lecture on the topic, "*Microbiology: A Boon in Pharmacological Applications.*" She elaborated on the critical role of microbiology in drug development, quality control, and innovative therapeutic approaches. Her presentation included real-world examples and case studies, which helped students connect theoretical knowledge with practical applications.

The session was highly interactive, with students engaging in a lively question-and-answer segment. Dr. Meshram's responses were comprehensive and encouraged further exploration of the subject.

**Outcome:** The seminar successfully achieved its objective of broadening students' knowledge and appreciation for the significance of microbiology in pharmacology. Students provided positive feedback, highlighting the session's clarity, relevance, and inspirational content.

**Acknowledgment:** We extend our heartfelt gratitude to Dr. Pradnya Meshram for her valuable contribution to this academic initiative. Her expertise and engaging delivery significantly enriched the learning experience for our students.

**Conclusion:** The seminar was a resounding success, reflecting the collective efforts of the organizing team, the students, and the guest speaker. Such academic interactions are pivotal for bridging the gap between classroom learning and industry practices.
