Action taken report on the feedback analysis:

Session: 2021-22

Most of the stakeholder are the extent satisfied with the academic syllabus and confirms that it meets the industrial requirements, sufficient availability of reference material and books for the topics mentioned in the syllabus, the possibility to cover the syllabus timely. Suggestions from teachers about the curriculum were taken into consideration. As per employer's feedback, syllabus should meet the requirements of industry to groom the students and compare them globally. The same has been communicated IQAC. The chairman of IQAC, decide to encourage and motivate student by conducting seminar, guest lecture, personality, skill development program and extracurricular activity for overall student development. He has put more emphasis on communication skills, problem solving attitude, employability skill and planned to give extra input to develop their analytical abilities.
