### IQAC

#### **Introduction**

As the name reflects **IQAC - Internal Quality Assurance Cell** is a structure that would help educational institutions to improve their work processes and achieve learning outcomes & objectives.

However, IQAC is not just a committee. It is a “**participative**” and “**facilitative**” unit that would closely work with the faculty members to plan out the best possible strategies!

Internal Quality Assurance Cell (IQAC) has been established at Bajiraoji Karanjekar College of Pharmacy with following.

#### **Functions of IQAC**

- A. Setting quality benchmarks with consistent work
- B. Creating parameters to reach academic as well as non-academic learning goals
- C. Creating a student-centric teaching-learning environment
- D. Considering the feedback of students, faculty & parents for the best practices
- E. Organizing various workshops & seminars for the quality education environment
- F. Documenting all the activities in chronological order & keeping a tab on improvements
- G. Preparing & submitting one of the most important - Annual Quality Assurance Report (AQAR) as per the instructions of the NAAC

## Objective:

The primary aim of IQAC is

- To develop a system for conscious, consistent and catalytic action to improve the academic and administrative performance of the institution.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices

## Strategies
