Report on Tree Plantation organized on dated 04/07/2019

Plantation of trees and plants aids in making the environment better. It purifies the air, conserves water, helps in climate control, preserves soil and benefits the overall environment in several other ways. Trees create an ecosystem to provide habitat and food for birds and other animals. Trees absorb carbon dioxide and potentially harmful gasses, such as sulfur dioxide, carbon monoxide, from the air and release oxygen one large tree can supply a day's supply of oxygen for four people.

On this occasion in association with Social Forestation Department Sakoli and B. K. C. P. NSS volunteers had organized "TREE PLANTATION" on Thursday, 4 Jul 2019. During this program our volunteers has planted 150 different plants on the road side from Nagzira bypass to Jamanapur village. Mr. T. P. Nimbekar, Program officers and Principal, Dr. D, C. Goupale had taken efforts for the successful organization of the program.

**BLOOD DONATION CAMP ORGANIZED BY BAJIRAOJI KARANJEKAR COLLEGE
OF PHARMACY IN ASSOCIATION JEEVAN JYOTI BLOOD BANK, ON DATED
30/01/2018**

A Blood donation camp was organized by our NSS unit, in collaboration with Jeevan jyoti blood bank, through which more than 22 units of blood was donated by both students and the staff members of our Bajiraoji Karanjekar college of Pharmacy, sakoli. It is a way of Bajiraoji Karanjekar College of pharmacy, sakoli gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood.

BKCP, Sakoli Organized the Tree Plantation under the National Service Scheme (NSS) on dated 17/07/2017 at Jamnapur Tah- Sakoli.

On 17th July 2017 Mr. T. P. Nimbekar NSS Program Officer took an initiative for the tree plantation along with some teaching and Non-teaching staff. Under guidance of NSS coordinator 50 volunteers of NSS unit participated, the aim of the program was to plant a total of 50 saplings, spread the awareness about forest cutting as well the importance of plantation for the better environment and better life for every living being. The saplings were planted and grown in college garden and these saplings were used to plant in Jamnapur village and its nearby areas. We passed banners in the area around Jamnapur village. So that people read these and know the importance of tree plantation. Finally the program was ended with speech of NSS Coordinator.
