| <p>About Seminar</p> <p>We cordially invites you for one day national seminar on "Current Trends in Pharmaceutical Industry and Education Regulation". It is expected that about 200-300 participants from different cities of Maharashtra, Chattisgarh, Madhya Pradesh will attend the seminar.</p> <p>As we know the Pharmaceutical Industry is continuously changing. It has come to our attention that there are many new trends created in the Pharmaceutical Industry that we certainly want to bring in attention. Indian pharmaceutical products are exported to more than 200 countries around the globe including highly regulated markets of USA, Europe, Japan, Africa and Australia. Significant growth was witnessed in various therapeutic segments.</p> <p>The pharmaceutical industry will continue to witness major changes and challenges. At the same time, markets are diversifying and new fields of growth are opening up. Rapid development of the emerging markets, progress in drug research, the rise in generic production, the availability of high potency drugs and innovations in manufacturing processes will sustainably modify the global pharmaceutical landscape.</p> <p>As considering the current trends in pharmaceutical industry there is a need of well qualified technical manpower with appropriate knowledge of pharmacy education. In addition, a knowledgeable and competent pharmacist can help the Indian Pharmaceutical Industry to move away from being a Generic Hub to a R&D Hub. In short, an educational revamp is required, which will not only benefit the patients, but also the nation as a whole. The demand for pharmacists is further growing with the growth of the pharmaceutical industry in India. This national seminar will provide a good platform to the exchange of ideas amongst the various stakeholders from pharmacy profession.</p> | <p>Resource Persons</p> <p>Dr. Surendra Jain Director, Sagar Institute of Pharmacy, Bhopal</p> <p>Mr. Anil Mishra Plant Manager BDA Healthcare Pvt.
