Preamble

4.2.1 Library is automated using Integrated Library Management System (ILMS).

- Library automation has been done with ILMS and Synchronic.
- OPAC (Online Public Access Catalogue) facility is made available through ILMS to search bibliographical details about the collections.
- OPAC computerized system enables the students to check the availability of the books anytime, anywhere.
- In ILMS, whenever a student return or issue a book, the system fetches the bar code number and made entry of book in computer systematically through ERP System.
- The institution library has e-library section comprising of computers for accessing e-journals and ebooks (Delnet) and e-resources like Delnet, NSDL, NDL, and Swayam etc. Also the passwords are displayed for students in library and in computer rooms for accessing the contents.
